The City's Water and Sewer Department Now Accepting Credit Card Payments

The City of Tuscaloosa's Water and Sewer Department is now accepting credit and debit cards as a method of water bill payment. In addition to cash and checks, customers who pay in person or at the drive through can now use either Visa or MasterCard. The extension of this service is another way the City is striving to provide a customer friendly environment while maintaining open, efficient and effective work.

Customers can also make credit card payments online at www.tuscaloosa.com by clicking "online bill payments" on the homepage. Those paying online will need their account number and customer ID number. For additional information, contact 3-1-1.
